OBJECTIVE

To contribute effectively to the growth and success of the organization by using my skills and available resources to help achieve the organization's corporate goals

EXPERIENCE

Tech Lead, Blockchain & Fullstack Developer | AIBRA(AI & Blockchain Recruitment System) - 2021 - Present (Full Time)
Abuja, Nigeria.
Aibra is an AI and Blockchain Based with aim to decentralize job recruitment with full implementation of Artificial Intelligence and Blockchain Technology. At Aibra i acted as the Fullstack & Blockchain developer. I was then promoted to Tech Lead after 3 months.

Tech Lead, Fullstack Developer | Purplepages - 2022 - Present (Full Time)
Lagos, Nigeria
On Purplepages I've acted as the backbone of the back-end and web Application. Designing, developing and deploying the entire back-end and front-end structure from literal scratch complete with payment modules, AI integration, third party integration and many more while also collaborating and assisting with the mobile App development where necessary

Blockchain & Fullstack Developer | Crest Protocol - 2023 - Present (Contract)
United States.
Engaged in building a web3 naming service system on the core blockchain. from API, frontend, backend and smart contract creation
